Postponment of the Crazy World Cup on June, 2020 in Zurich

Dear dancers and dance sports enthusiasts

Following the decision of the Swiss Federal Council on April 29th 2020 regarding sporting events, the board of the Crazy Shakers, Zurich has decided to postpone the World Cup, originally scheduled on June 20th, 2020.

COVID-19 is affecting the dance scene, both here in Switzerland and internationally, and unfortunately it is impossible to hold an international dance tournament on the original date. We are adhering, and will continue to adhere to the guidelines and recommendations of the national and cantonal authorities, in order to contain the pandemic.

Stay tuned for the new date, which we will announce as soon as possible. For the present booked tickets remain valid for the tournament, on the postponed date, but unfortunately cannot be returned. Regrettably, we as the organizer cannot assume any costs for flight bookings or room reservations that have already been made. All other information is published on our official websites crazyshakers.ch and crazyworldcup.ch.

We are sincerely grateful for your understanding and patience. This decision was not an easy one for us to make. We wish you and everybody the best of health and hope for all people, that the situation will return to normal, as soon as possible.

Swinging greetings

Markus Berghahn
