9th and 10th October 2021 Graz - AUSTRIA

Dear friends,

enclosed you find the invitation papers for the World Championships 2021 for RR Formation Ladies, European Championship Girls and Worldcups for MCFS, MCCS, CDS, Juniors, Juveniles and Children, which will take place in Graz, Austria 9th and 10th of October 2021.

Sorry for the delay – I had to wait for final information of the WRRC sportsdirector.

All nominations must be forwarded by a respective national WRRC member. Any other individual or club nomination will be treated as void.

Please have a close look when the different categories will take place. TV is only interested in Main Class Free Style and Ladiesformations. Because of this we had to do some changes compared to our original plans.

In order to prepare the competition in a professional manner, we kindly ask you to respect the deadline which is on 18th September 2021. This deadline is important for the announcement of your couples and formations.

The registration must be completed by using the registration tool of the WRRC.

Each country will receive two free backstage tickets for each class of couple dance and 1 free backstage ticket per formation.

The names of the holders of backstage tickets must be announced in the WRRC registration system. Additional tickets can be ordered for € 25,-- each.

To avoid any misunderstandings regarding the rules, please read the information provided by WRRC.

Graz has a high number of nice hotels with very good quality standard. In three of these we have reserved a contingent for you. More details you can find below.

All further and detailed information to the competition can be found on the official homepage www.acrobatic.at (coming soon)!

Covid-19 is part of our life and we all have learned to live with it.

As an organizer we have to follow all legal requirements and rules and obligations of several authorities.

We are working on a preventive concept and this will be continuously adapted according possible legal changes.

For the time being the basic rules in Austria for participation or visiting a sports event are that you have to be

1. Vaccinated or
2. Tested (PCR or Antigen)
3. Having an antibody-test

Please be aware that some vaccines are treated as void in Austria.

We will post the first information around covid situation on the 12th of September and will send a weekly update from that time on.

The 12th of September is also the date when we will start to sell tickets for the event.

You will find all information on the competition homepage www.acrobatic.at.

Looking forward to welcome you in Graz!

With sporty regards
